

## ALLEN PARISH CULTURAL DAY TOUR

Walk through a swamp outside, but inside: experience the smells, sights and sounds deep in the swamp. Our ghostly Cajun will tell you about life in the swamp and show you where recipe cards are so you can cook real Cajun food. Punch a number to play a record on our vintage jukebox and do the Cajun Two-Step around the dance floor. Strap on the scrub board or grab the accordion and take a picture with our Cajun Band. Spend some time in the Coushatta Heritage exhibit and the Military exhibit and see how Allen Parish honors its veterans on the Wall of Honor.

To soothe those hunger pains you will travel to Roy's Catfish Hut in Kinder where your taste buds come to life. Here you can get some of the tastiest seafood and steaks in this part of the country. Or if a good ol' hamburger is more to your liking, then you can double down on one of the best burgers and fries anywhere. If you have never had a fried pistolet then let this be your first one!

Next, go to the Kinder Antiques and Flea that is chock-a-block full of treasures! Time to shop till you drop! After you have shopped till you dropped—then you will travel to Oakdale to visit Gypsy Blue Antiques and More. You will think you shopped till you dropped until you see the treasures that await you here.

Last but not least, a special pick-me-up treat is in order. Ride on over to Jewel's Quick Stop for some of the best boudin in the country and make sure to take enough home for supper!
